1. Membership and terms for your committee:

So that the SAA Office’s records are as complete as possible, please list your committee members and their terms here. Please also note if there are anticipated changes in a member’s status before their term end date.

Edward Henry edward.henry@colostate.edu until 2024
Amy Schott aschott@email.arizona.edu term ends March 2023
Grant Snitker grant.j.snitker@gmail.com until 2026
Jamie Vandagriff jamievandagriff@gmail.com until 2025
Jessie Halligan jessi.halligan@gmail.com incoming Chair, 2023-2026
2. Executive summary of Committee’s/Task Force’s activities over the past year:

Please note that the activities summary should not exceed 250 words. Should the committee or task force be responding to a Board request for a draft document or report, refer to it in the summary and forwarded with this form as an attachment. If no such document was requested by the Board, the executive summary should be confined to the word limit.

The Geoarchaeology Awards Committee discussed methods for increasing the applicant pool, particularly for the undergraduate travel award, which has not yet had applicants. We created a list of Geoarchaeology programs (undergraduate and graduate), and the Chair sent emails to the department chairs or contacts with information about upcoming award deadlines. This did not seem to improve the applicant numbers. Otherwise, the committee evaluated applications for the Goldberg and Kellogg awards and made those nominations as usual.

3. Items for Board Consideration, if applicable. These are recommendations and requests that specifically require Board approval.

These items range from statements that you may wish to be disseminated, requests to undertake projects, requests to disseminate results, or any other action for which a committee or task force needs specific Board guidance/approval. Please do not embed such items in your activities summary. These items must be separately listed in this section. These are actions you are asking the Board of Directors to take. Please also include a discussion of fiscal impacts, if any, but note that budget requests occur in advance of the Fall Board meeting (and not as part of this report). Should you have questions about whether any of your Committee’s items require Board approval,
please consult with your Board Liaison prior to submitting your report. We also recommend that you run a draft of your report by your liaison before you “officially” submit it.

4. Draft motions, if appropriate. (Optional)

Drafting a suggested motion or motions for any requests noted above will help the Board more clearly understand your request and increase the “fit” between the request you make and corresponding Board action. Please keep in mind that suggested motions may be revised or not accepted by the Board, whose responsibility it is to consider the full range of member needs. If you choose to include suggested motion(s) with your report, it is essential that you work with your liaison before you submit your report. They will be able to provide examples of motions that you can use as models for the ones you create.

5. For Award and Scholarship Committee Chairs: Number of Applicants/Nominees and Name(s) of the Recipients(s).

The Board has requested that Award and Scholarship Chairs report annually on the total number of applicants/nominees received for each award/scholarship. Also, please send the recipient(s)’
applicant/nomination package(s) to the SAA Manager, Communications and Fundraising (Emma_Sunseri@saa.org) for archiving at the National Anthropological Archive with all SAA official records.

Paul Goldberg Award: 2 applicants
Julie K. Stein Award for Undergraduate Travel: No applicants
