2. Executive summary of Committee's/Task Force's activities over the past year:

Please note that the activities summary should not exceed 250 words. Should the committee or task force be responding to a Board request for a draft document or report, refer to it in the summary and forwarded with this form as an attachment. If no such document was requested by the Board, the executive summary should be confined to the word limit.

The Student Paper award committee reviewed three entries for the 2022 SAA conference and awarded the prize to Kristy E. Escalante (Tulane University) for her paper "*Looting and Lidar: An Analysis of Illicit Digging in La Corona, Guatemala Using Airborne Laser Scanning*". The Student Paper Award committee added two new members, Angela Huster and Kristy Escalante. This winter, the five committee members and I have been soliciting student papers via email contacts and social media using both English and Spanish fliers. As of February 10, the committee has received no entries for the 2023 Student Paper Award. The deadline for submissions is the 23rd of February. The committee will begin asking for donations from vendors for the prize this week.

3. Items for Board Consideration, if applicable. These are recommendations and requests that specifically require Board approval.

These items range from statements that you may wish to be disseminated, requests to undertake projects, requests to disseminate results, or any other action for which a committee or task force needs specific Board guidance/approval. Please do not embed such items in your activities summary. These items must be separately listed in this section. These are actions you are asking the Board of Directors to take. Please also include a discussion of fiscal impacts, if any, but note that budget requests occur in advance of the Fall Board meeting (and not as part of this report).

Should you have questions about whether any of your Committee's items require Board approval, please consult with your Board Liaison prior to submitting your report. We also recommend that you run a draft of your report by your liaison before you "officially" submit it.

4. Draft motions, if appropriate. (Optional)

Drafting a suggested motion or motions for any requests noted above will help the Board more clearly understand your request and increase the “fit” between the request you make and corresponding Board action. Please keep in mind that suggested motions may be revised or not accepted by the Board, whose responsibility it is to consider the full range of member needs. If you choose to include suggested motion(s) with your report, it is essential that you work with your liaison before you submit your report. They will be able to provide examples of motions that you can use as models for the ones you create.

5. For Award and Scholarship Committee Chairs: Number of Applicants/Nominees and Name(s) of the Recipients(s).

The Board has requested that Award and Scholarship Chairs report annually on the total number of applicants/nominees received for each award/scholarship. Also, please send the recipient(s)' application/nomination package(s) to the SAA Manager, Communications and Fundraising (Emma_Sunseri@saa.org) for archiving at the National Anthropological Archive with all SAA
