

SOCIETY FOR AMERICAN ARCHAEOLOGY

Award Nomination Form: Binford Family Award for Teaching Scientific Reasoning in Archaeology

The Binford Family Award for Teaching Scientific Reasoning in Archaeology encourages curriculum development with a deliberate focus on teaching critical thinking and scientific reasoning skills in archaeology courses at any level, to reward individuals or institutions that develop excellent examples of such curricula, and to promote the sharing of ideas and materials relating to these efforts. For 2024, the Binford Award has a monetary award of \$2,000.

Please complete this form and attach it as a cover for your nomination packet. You should send your nomination material directly to the chair of the committee, Dr. Pei-Lin Yu,

pei-linyu@boisestate.edu, for the specific award.

Materials for the Submission:

1. nominee's current Curriculum Vitae and/or a succinct summary of relevant accomplishments
