Figure 1. Summary of DOI evidence for cultural continuity. A detailed summary is provided inTable 1 and in the text. In this figure information on dwellings is grouped with settlement pattern information. Note that cultural continuity is not equivalent to shared group identity, the statutory standard for cultural affiliation.

Geographic

No Evidence of Permanent Occupation				Evidence of Limited Occupation		Plateau Culture		M T
Settlement Pattern Small, Highly Disperse Impermanent Huts No Evidence for Perm	, No Storage,		Some Use of Pit Ho Occasional Small Sett			Small Settlements, Pit Houses, Ceme	torios Hous	e Settlements, F ses Replaced by Lodges, Cemete
