The Honorable Sidney R. Yates  
Chairman  
Interior Appropriations Subcommittee  
B-308 Rayburn House Office Building  
Washington, DC 20515

Dear Mr. Chairman:

We, the organizations listed below, understand that the full Senate will likely take up consideration of the Interior Appropriations bill in mid-September, and that House and Senate conferees will begin work shortly thereafter. While we understand and appreciate the fiscal constraints under which Congress must operate, it is our hope that you will be able to persuade the conferees to agree to the House figures for grants and administration for the Native American Graves Protection and Repatriation Act (NAGPRA).

As you know, the Congressional Budget Office estimates implementation of the legislation to cost about \$50 million. Most of the projected costs are to be incurred in establishing an inventory of the more than 3.5 million items known to be within the scope of NAGPRA. The money appropriated for this program will greatly assist museums and tribes by providing grant money to help carry out these long and costly inventories and for other expenses connected with the repatriation process.

On behalf of the organizations below, and the entire community of museums, tribes, universities, archaeologists and historic preservation officers, we thank you for your leadership on this matter to date and for your help when the conference convenes.

Sincerely,

Edward H. Able, Jr.
